DECdecision Version 1.1 Read This First

This package contains the DECdecision™ Version 1.1 software, installation instructions, and user documentation.

Contents of This Kit

This package contains the following:

- Bill of Materials

  Please read the Bill of Materials enclosed in the transparent plastic envelope. Check to see that all items listed there are in your kit. If any items are missing, contact your Digital representative.

- Media

  If you ordered media, you will find the media and the *DECdecision Installation and System Management Guide* in this kit. This guide contains complete instructions for installing DECdecision Version 1.1 on a system running VMS Version 5.3-1 or higher.

- Documentation

  If you ordered a full kit or a documentation-only kit, you will find a DECdecision documentation set, which includes the following manuals:

  DECdecision Overview
  DECdecision Access User's Guide
  DECdecision Calc User's Guide
  DECchart User's Guide
  DECdecision Builder User's Guide
  DECdecision Calc Macro Guide
  Converters Reference Guide

- Software Product Description (SPD)

  The SPD provides an overview of DECdecision and its features.

- Software Performance Report (SPR)

  Use this form to report any problems with DECdecision (provided you have purchased warranty services).

Installation and Release Notes Information

You should read the *DECdecision Installation and System Management Guide* before installing DECdecision.

The DECdecision Release Notes contain information such as restrictions, known problems, and documentation errors or additions. You can read the Release Notes before installing DECdecision by invoking VMSINSTAL and following the instructions in the *DECdecision Installation and System Management Guide*. You can read the Release Notes after installing DECdecision by printing the file SYS$HELP:DECISION011.RELEASE_NOTES.
