LAN Traffic Monitor Version 1.2

digital™

AV-MM62B-TE
January 1990

Dear Customer:

This letter contains important information that will help you understand and use the LAN Traffic Monitor V1.2 and its documentation.

New Product Features

LAN Traffic Monitor V1.2 now supports the LAN Bridge 150 and Chipcom's Ethermodem III bridges. In addition, LAN Traffic Monitor V1.2 runs with versions of the VMS operating system from Version 5.2 through 5.3.

Release Notes

Please read the on-line LAN Traffic Monitor V1.2 Release Notes for information that could not be included in the product documentation. To read the on-line release notes, you must specify OPTIONS N when installing LAN Traffic Monitor. Instructions for doing so are contained in Chapter 2 of the *LAN Traffic Monitor Installation* manual.

Documentation

The *LAN Traffic Monitor Installation* manual has been revised for this version of the product. The User's Guide remains unchanged from the V1.0 release. Any references to LAN Traffic Monitor V1.0 in this manual also apply to LAN Traffic Monitor V1.2.
