DECnet/SNA VMS Data Transfer Facility V3.0
VMS/DTF Utilities

AV-MG02B-TE

June 1991

Dear Customer:

Please take a few moments to read the following information about your DECnet/SNA VMS Data Transfer Facility V3.0 Utilities distribution kit.

This package contains the DECnet/SNA VMS Data Transfer Facility V3.0 Utilities software and documentation. Check the bill of materials to see that your distribution kit contains all of the items listed. If any of the items are missing or damaged, you should contact your Digital representative.

The DECnet/SNA VMS Data Transfer Facility V3.0 Utilities software requires IBM-resident Data Transfer Facility software for either VM or MVS systems.

The DECnet/SNA VMS Data Transfer Facility V3.0 Utilities documentation set includes the following manuals:

- *DECnet/SNA Data Transfer Facility Installation (VMS)*
- *DECnet/SNA Data Transfer Facility Use*
- *DECnet/SNA Data Transfer Facility Management*
- *DECnet/SNA Data Transfer Facility Problem Solving and Messages*

If you need to order additional documentation, contact your Digital sales representative or refer to the ordering information in the *Software Documentation Products Directory*.

On-line release notes contain more information about this product. To read the release notes, follow the installation procedure. After installation, type or print the file SYS$HELP:SNADTFU030.RELEASE_NOTES.

If you have comments about this product's documentation, please complete and return the preaddressed, postpaid Reader's Comments form in the back of each manual.
