Read Before Installing ALL-IN-1 Services for DECwindows, Version 1.0

AV-PD0FA-TE

January, 1991

Thank you for purchasing ALL-IN-1 Services for DECwindows (ALL-IN-1 Services), Version 1.0. This letter contains information you need to know before you install the software. Please read it carefully.

Installation Information

If your organization was a field test site for this software, you need to make sure you disable your field test PAK (Product Authorization Key) before you install ALL-IN-1 Services again. To do so, enter the following commands at the DCL prompt:

```
LICENSE UNLOAD <pak_product_name>
LICENSE DISABLE <pak_product_name>/auth=<pak_authorization_number>
```

Release Notes

Please read the Release Notes before installing ALL-IN-1 Services. They contain known problems or restrictions.

Contents of Your Kit

Make sure your kit includes the following:

- Media
- Documentation

  You kit should include the following documentation:

  ALL-IN-1 Services for DECwindows User's Guide
  ALL-IN-1 Services for DECwindows Customization Guide
  ALL-IN-1 Services for DECwindows Installation Guide

- Product Authorization Key (PAK)

  The PAK contains information you need to register ALL-IN-1 Services for DECwindows. You must do this before you install the software.

- Software Product Description (SPD)

  The SPD provides an overview of ALL-IN-1 Services.

- Software System Addendum (SSA)

  The SSA provides hardware and software requirements for ALL-IN-1 Services.

- Software Performance Report (SPR)

  Use this form to report any problems with ALL-IN-1 Services.

Installations for British Versions of ALL-IN-1

Note that the British English and American English versions of forms that ALL-IN-1 Services supplies are not different from each other. Therefore, there is no British English kit. However, to install a full kit of American English in the British subdirectories of ALL-IN-1, you must do the following:

1. Copy the savesets from tape to disk.
2. Rename the savesets in the kit as follows:
   - Rename ASDLENGLISH010.A to ASDLBRITISH010.A
   - Rename ASDLENGLISH010.B to ASDLBRITISH010.B
   - Rename ASDLENGLISH010.C to ASDLBRITISH010.C
   - Rename ASDLENGLISH010.D to ASDLBRITISH010.D
3. When you install a full kit of ALL-IN-1 Services, enter BRITISH as the language of the kit.
