DECview3D Version 2.1 Cover Letter
AV–JB29E–TE

Dear DECview3D user,

Please take a moment to look over the following information before installing or using the DECview3D Version 2.1 software.

Release Note Information

The release notes for DECview3D Version 2.1 contain information on known restrictions. You can locate them after installing DECview3D by entering the following command:

```
$ HELP DECVIEW3D RELEASE_NOTES
```

Contents of This Kit

- Bill of Materials (BOM)
  Please read the enclosed BOM, and check to see that all items listed are in your kit. If your kit is damaged, or if you find that parts of it are missing, please call your Digital representative.
- Media
  If you have ordered media, you will find the media and the *DECview3D Installation Guide* in this kit. This guide supplies the information you need to install DECview3D on a VMS system.
- Documentation
  The following documentation is included in this kit:
  - *DECview3D Installation Guide*
  - *DECview3D User's Guide*
  - *DECview3D Reference Manual*
  - *DECview3D Quick Reference Guide*
  - *DECview3D Integration Guide*

  The *DECview3D User's Guide* includes a tutorial to help new users learn how to use the software. The *DECview3D Integration Guide* describes how to use DECview3D as a LiveLink application with DECwrite or DECpresent for producing technical compound documents.

- Software Product Description (SPD)
  Your SPD provides an overview of the features and requirements of DECview3D.
- Software Performance Report (SPR)
  Use this form to report any problems with DECview3D.
- Software Update Survey Card or Software Installation Survey Card
  By completing this card after you install DECview3D, you provide valuable feedback to Digital on installation quality.

A Final Note

Digital prides itself on responding to customer needs. Each manual contains preaddressed Reader's Comments forms at the back. If you have any comments on DECview3D, please fill out this form and return it.

Regards,
DECview3D Product Management
