Read Before Installing or Using VMS/ULTRIX Connection Version 1.3
AV–NY36B–TE

Whether you are a new or a continuing VMS/ULTRIX Connection customer, please take time to read the following information about your product.

Installation Information

The media for the Connection includes both the VMS/ULTRIX Connection Version 1.3 and DEC Remote Procedure Call Version 1.0.

The Connection Version 1.3 requires VMS Version 5.0 or higher. The DECrpc Version 1.0 requires 5.2 or higher.

Previous versions of the Connection do not need to be installed before this version.

Release Notes Information

The release notes for the Connection Version 1.3 contain information on the following:

- Installation
- New features and functions
- Problems corrected since the last release

You can read the release notes before installing the Connection by invoking VMSINSTAL and following the instructions that start the installation procedure. You can also read the release notes following the installation of the Connection by typing or printing the file SYS$HELP:UCX013.RELEASE_NOTES.

Contents of This Kit

- **Indented Bill Report (BIL) and Bill of Materials (BOM)**

  Please read the BIL and BOM enclosed in this kit and check to see that all items listed are actually in your kit. If your kit is damaged or any items are missing, call your Digital representative.

- **Media**

  If you ordered media, you will find the media and the *VMS/ULTRIX Connection Installation Guide* in this kit.

  The media for the Connection includes both the VMS/ULTRIX Connection Version 1.3 and DEC Remote Procedure Call Version 1.0.

  Consult the *VMS/ULTRIX Connection Installation Guide* for information about installing the Connection and DECrpc on your system.

©Digital Equipment Corporation. 1990. All rights reserved.

- **Documentation**

  Depending on your order, this kit may include copies of the following Connection documentation:

  VMS/ULTRIX Connection System Manager's Guide
  VMS/ULTRIX Connection Programming Manual
  VMS/ULTRIX Connection User's Guide

  Your order may also include the following DECrpc manuals:

  Guide to the Location Broker
  DECrpc Programming Manual

  Note that the *VMS/ULTRIX Connection Installation Guide* is included with the media.

- **Product Authorization Key (PAK)**

  The PAK contains information necessary to register the Connection before you install it. The PAK is required, unless you will be using only the TCP/IP component of the Connection for DECwindows applications.

  DECrpc Version 1.0 does not reguire a PAK.

- **Software Product Description (SPD)**

  The SPD provides an overview of the Connection kit and its features.

- **Software Performance Report (SPR)**

  Use this form to report any problems with the Connection, provided you have purchased warranty services.

A Final Note

Digital prides itself on responding to customer needs. In order to continue serving you, we need your comments. Each manual contains preaddressed, postage-paid Reader's Comments forms at the back. If you find errors in a manual or want to make comments about it, please fill out one of these forms and send it to us.
