Read Before Installing or Using VAX DEC/Test Manager Version 3.2

AV–DH56K–TE

Whether you are a new or a continuing VAX DEC/Test Manager customer, please take time to read the following information about your product.

Installation Information

VAX DEC/Test Manager Version 3.2 requires VMS Version 5.3 or later.

Before you install VAX DEC/Test Manager Version 3.2, you must register the product using the Product Authorization Key (PAK) provided in the kit. See the *VMS License Management Utility Manual* for registration instructions. Previous versions of VAX DEC/Test Manager do not need to be installed before this version.

Release Notes Information

The release notes for VAX DEC/Test Manager Version 3.2 contain important installation-related instructions and a summary of technical changes, new features, differences, known problems, corrected errors, performance enhancements, documentation errors, restrictions, and incompatibilities.

Contents of This Kit

- **Indented Bill Report (BIL) and Bill of Materials (BOM)**

  Please read the BIL and BOM enclosed in this kit and check to see that all items listed are actually in your kit. If your kit is damaged or any items are missing, call your Digital representative.

- **Media**

  If you ordered media, you will find the media and the *VAX DEC/Test Manager Installation Guide* in this kit. Consult the *VAX DEC/Test Manager Installation Guide* for information about installing VAX DEC/Test Manager on your system.

- **Documentation**

  Depending on your order, this kit may include copies of the following VAX DEC/Test Manager documentation:

  Guide to VAX DEC/Test Manager
  VAX DEC/Test Manager Quick Reference Guide

  Note that the *VAX DEC/Test Manager Installation Guide* is included with the media.

© Digital Equipment Corporation. 1990. All rights reserved.

- **Product Authorization Key (PAK)**

  The PAK contains information necessary to register VAX DEC/Test Manager before you install it.

- **Software Product Description (SPD)**

  The SPD provides an overview of the VAX DEC/Test Manager kit and its features.

- **Software Performance Report (SPR)**

  Use this form to report any problems with VAX DEC/Test Manager, provided you have purchased warranty services.

- **Software Update Survey Card**

  By completing this card after you install VAX DEC/Test Manager, you provide valuable feedback to Digital on installation quality. Your feedback helps us to understand customer needs and improve our products.

A Final Note

Digital prides itself on responding to customer needs. In order to continue serving you, we need your comments. Each manual contains preaddressed, postage-paid Reader's Comments forms at the back. If you find errors in a manual or want to make comments about it, please fill out one of these forms and send it to us.
