Compact Disc Contents

The following table lists all products and versions that are included on this release. The status column indicates whether the product is a new addition to the compact disc or has been updated since the last issue. The UPI column represents the Unique Product Identifier. The CD column is the respective disc number.

Table 1 November 1992 Master Index

Product Name	Vers	UPI	Status	CD	Directory
3270 TERMINAL OPTION SOFTWARE	1.1	VV9AA		2	[CXM011]
